YOUR CHOICE

The decision to move into residential care, or to use day care facilities, is an important one. You need to be sure that the care, facilities and environment are just right for you. At Grange Crescent we will support and reassure you every step of the way - from an initial visit to meet our team and see a typical day at Grange Crescent, guiding you through funding and finance options to making the move as easy as possible.

We're always here to help...

OUR HOME

Grange Crescent enjoys a secluded setting in a peaceful, leafy suburb of Sheffield, yet is only minutes from the city centre and the many amenities of London and Ecclesall Roads.

With forty-two residential bedrooms, all with full ensuite bathrooms, Grange Crescent is tastefully decorated in light, bright colours - we describe it as traditional with a modern twist! The bedrooms are extremely spacious, almost like 'flats' with plenty of room for personal items of furniture and providing a high degree of privacy. However, most

residents enjoy company so there are dining rooms and sitting rooms for each wing, providing the opportunity to eat, meet and socialise in small groups. After all, we are also a community where people make new friends and enjoy each day to the full. There are small residents kitchens where you can make a drink or a snack, plus the larger communal area where everyone gets together for entertainment, activities or a chat. The 'pub' is a popular venue too - we have our own bar serving alcohol which opens up for social nights each week. This all makes for a very sociable home, with much to enjoy and company or help when needed.

The garden is delightfully landscaped - mature, flat and accessible for everyone to enjoy. There is a sheltered patio area with garden furniture - a real suntrap - and a further covered seating area with plants, a water feature and a bird table. Our own little haven of peace and tranquillity.

A FULFILLING LIFESTYLE

Each day at Grange Crescent can be as busy - or as peaceful - as you wish.

We have various activities most days which include favourites such as bingo, arts and crafts, gentle exercise, visiting entertainers, garden parties, film nights, sing a longs...

Our specially adapted vehicles offer easy access for wheelchairs so everyone can enjoy trips to the coast, countryside, places of interest and for pub lunches. Many residents are able to be quite independent whereas others need more care

within the home, but whichever is the case we work hard to make each day as enjoyable and rewarding as possible.

HERE TO HELP

All our care staff have appropriate training and qualifications supported by the Sheffcare commitment to

continuous improvement and inhouse training, ensuring that we meet - and exceed - the latest standards of care. Our three cooks take great pride in the food, freshly cooked each day in our kitchens here - and we are happy to cater for friends or family members joining us for a meal or a snack too. Traditional dishes such as roast dinners and stew and dumplings are always in demand but curry and pasta dishes are popular too.

Our dedicated activity team ensures that everyone has the opportunity to continue with favourite hobbies or explore new activities.

MAKE YOURSELF AT HOME

With it's attractive, homely decor, comfortable sitting rooms,

bright dining areas with attractive place settings, television lounges and a very spacious bedrooms, Grange Crescent is a 'home from home'.

We encourage residents to bring their own pieces of furniture (we have residents who have brought items such as three piece suites, fridges and double beds) and personal possessions such as pictures and ornaments to add the finishing touches to the comfortable bedrooms.

In addition to the full ensuite bathrooms we also have specially adapted bathrooms to ensure that bathtime continues to be a pleasure for those residents that need help with bathing.

Family members and friends are welcome to visit at any time or to take their friend or relation for a trip out.
