

Our People

All our care staff have appropriate training and continue to benefit from our in-house training and support team; ensuring we are fully up to date with the latest standards of care.

Our catering team ensure that you will have a choice of food which is freshly cooked every day on the premises. If you let us know, we will be happy to cater for a friend or family member joining you for dinner. Tea, coffee and biscuits are served throughout the day should you feel a little peckish.

SheffCare have a dedicated activity team who will help support you continuing with your hobbies or perhaps introduce you to new activities. There will also be the opportunity to visit local attractions or even go further afield, with Derbyshire on the doorstep, in our specially adapted vehicles that offer easy access for wheelchairs and those a little unsteady on their feet.

Our Accounts team are highly experienced and will be able to offer you advice helping you navigate through the maze of local authority funding regulations.

“Just want to say a big thank you from all of us for the love and care you and the team at Hawkhills showed our mom while she was with you. You all helped to make those last 3 ½ years of mom’s life as comfortable and relaxed for her as possible. We could also feel absolutely confident that she was in the right place with the right people.”

Daughter of former resident.

SheffCare is a registered charity operating across Sheffield serving the needs of over 1000 older people. The company began operating as a not for profit company in 1993, when a number of care homes were transferred out of local authority ownership into the ownership of SheffCare.

SheffCare's vision is to secure the provision of services and provide high quality care for older people in Sheffield. The needs, wishes and aspirations of our clients are paramount and everything we do is focused on improving the experiences of our residents and day care centre users.

The charity is managed by an executive team with a Board of Trustees meeting every month.

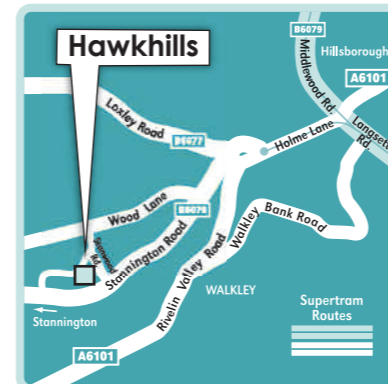

If you would like information about any of our other 10 homes in Sheffield visit our website at www.sheffcare.co.uk or call our **Central Support Services** team in Sheffield on **0800 542 1256**.

Hawkhills Residential Home

11 Stanwood Rd
Sheffield, S6 5JE
Tel 0114 234 5469

The best way to see whether Hawkhills is right for you is for you and/or your family to call in and have a look around. Our staff will be happy to give you a guided tour and show you a typical bedroom.

Or give us a ring on the above number if you need any further information.

Hawkhills

residential home and day care for older people

I would like to welcome you to Hawkhills, a place where we are confident you will feel at home straightaway.

You will find a warm and friendly welcome as soon as you walk through the door at Hawkhills. Our staff are highly experienced and well trained and, in time, you will come to know them as friends.

Have a look through this leaflet and if you need any further information call me or a member of my team. When you are ready to have a look around call in and visit us and we will be happy to give you a tour of our home.

Ann Cullen
Registered Manager

"I feel I must write and thank you all, on behalf of all the family, for helping my mum settle in at Hawkhills. I must admit I was initially unsure about residential care, unsure whether it was right for her, following her stay in hospital and major surgery...such a lot of adjusting in a short space of time. But she has adjusted really well, her sense of humour showing itself regularly with family, staff and other residents and she has made several friends."

Family member of resident.

Hawkhills offers excellent care in comfortable surroundings. You will have your own bedroom with shared bathroom facilities in each corridor. Many bedrooms have television and telephone points so that you may stay in regular contact with your family and friends and can watch your favourite programmes at your leisure. To ensure that you feel at home you may also wish to furnish your bedroom with your own pieces of furniture.

Despite being over three floors Hawkhills feels cosy and personal with each floor having its own dining and sitting areas where you can get together with other residents for a chat and to enjoy your meals. There is also a larger communal area on the ground floor where home activities take place on a regular basis. In addition, Hawkhill has quiet rooms where you can sit and read your paper with no disturbances.

Hawkhills also has its own room dedicated to hairdressing and a local hairdresser visits twice a week. We also can arrange your regular check-ups with the optician; dentist; chiropodist and nursing services. Newspapers and periodicals are delivered daily should you wish.

Hawkhills is set in a residential area near the Rivelin Valley and enjoys stunning views of Loxley and the surrounding countryside. The home benefits from a safe and secure patio area with pleasant wooded boundaries and access to a large lawned back garden with further seating at the front where you can enjoy the fresh air and sunshine.

At Hawkhills we are not just a residential home. Other services include:

- o **day care facility**
- o **short-term or overnight care (respite)**
- o **escorted hospital visits or doctor's appointments**
- o **specially adapted baths and help with bathing (including for non-residents)**
- o **help with shopping or your laundry**
- o **help with sorting out funding and finance**

So, if you are the carer or relative of an older person and would like to take some time away, or need some support, we will ensure you can go safe in the knowledge that your loved one is in safe hands.

We can give you the help and care you need, when you need it. Just give us a call and we will tailor a package to suit your specific needs
