“

My mum has been in Burnt Tree Croft Care Home for just over eighteen months and the care she receives has been truly outstanding. All the staff are lovely and treat her with dignity and kindness. She really enjoys the activities and there always seems to be different things going on to keep her engaged with life inside the care home. She has Alzheimer's and we tried hard to care for her in her own home until we could no longer cope but as a family we feel lucky and forever grateful to Burnt Tree Croft for taking her in and providing the special care that she needs.
